--- “Series of 1880” - “*TORONTO*” Division - [C 59] - 3rd BABN Contract (1878-1886) ---

--- 1/10th pound - Type I - *lithographed* in BLUE on *block watermarked* horizontal mesh wove ---

--- perforated 12 - 132 x 15 mm. - 4 mm. red controls - scanned at 90% scale ---

--- with the 28 mm. [British American Bank Note Co. Montreal **] imprint inscribed W. C. Stratton /** COLLECTOR I. R. **---**

John McKay lists 389,100 *lithographed* copies of “1-10th, Blue, Cigarettes” as ‘delivered’ under the **3rd BABN Contract** (1878-1886). Apparently he as grouped the blue 1/10th pound Division “Open” and Division “Specific” Customs strips.

★**RC-73** - 1/10th pound, “Toronto” Division [**C 59**], blue, perf 12, with 4 mm. red control **006094**, lithographed on *block watermarked* horizontal mesh wove paper - from the Dutch collection

006094★	RC-73	1/10th pound, perforated 12, on block watermarked wove paper

---

I can see no legitimate reason for the existence of *imperforate* strips. Probably they had been control numbered prior to the perforation process and are simply unfinished remnants.

★ 1/10th pound, “Toronto” Division - [**C 59**], blue, *without* control numbering, *imperforate*, lithographed on *block watermarked* horizontal mesh wove paper

---

--- Apparently there were no other type I, 1/10th pound, blue “Customs” strips ---

---
